SUMMARY

I am seeking a career that will utilize my programming and problem-solving skills as well as to further develop my abilities in the computer science field.

EXPERIENCE

Manufacturing Technician, Pyramid Consulting (Intel), Hillsboro, OR — May 2021 - Present

A quick learner and adaptable, willing to efficiently take on new tasks. Able to work safely and identify potential safety hazards while also ensuring quality and quantity standards.

Dishwasher, The Town Club, Portland, OR — 2017 - 2021

Worked in a fast-paced kitchen environment. As a team player, took on some food-prep, when needed. Worked on different shifts when short-handed because I am able to take on new tasks quickly and without supervision.

Secretary, PPR Appraisal Services, Kennewick, WA — 2015 - 2016

Effectively communicated with clients with questions and scheduling through telephone and Email.
